REMARKS

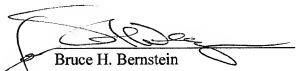

Re-examination and allowance of the present application is respectfully requested.

In the Ex Parte Quayle action mailed on January 16, 2008, the Examiner indicated the allowability of pending claims 1-11. However, the Examiner objected to Figs. 1-4 of the drawings, stating that they should include a prior art legend. By the current amendment, Applicants submit four replacement sheet of drawings, in which Figs. 1-4 are revised to include the notation ---Prior Art---. In view of the submission of these replacement drawings, Applicants submit that the objection to the drawings no longer exist, and respectfully requests withdrawal of this ground of rejection.

Further, as the claims have previously been indicated to contain allowable subject matter, the Examiner is respectfully requested to re-confirm the allowability of the pending claims, and to pass the application to issue.

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted,
Yoshinori KUNEIDA et al.
